How to Write and Answer Classified Want Ads

How to Write a Want Ad to Get a Fosition as Stenographer

N account of the large number of Stenographers, both men and women, in order to make YOUR Want AD attract attention and get answered, you must put in it every vital qualification that would naturally be interesting to

First state the lines of business from which you have obtained experience. Also state the nature of business you prefer. Give your age, education and whether you have had experience as a Correspondent or Salesman. These latter qualifications are a great help to a Stenographer.

Neatness, accuracy and willingness to work hard have quite as much to do with the obtaining of a high-grade position as Stenographer as the mere matter of speed and experience. A knowledge of bookkeeping or other clerical work is often helpful in some positions. State your experience along these lines if you have any knowledge of the subjects.

Mention that you can give references and tell how rapid at dictation and on the machine. To be the most successful as a Stenographer, you must be pleasant and cheerful in disposition, and attend strictly to business. State salary desired.

EXAMPLES

Address, etc. This Want Ad should be classified under "Situations Wanted"—Female.

> O sum up—Make your Want Ad tell EVERY vital qualification that will possibly interest an employer. State machine used, experience, and mention nature of business in which you would like to work.

[NOTE—This is the eleventh of a series of Practical Talks on the writing and answering of Want Ads for THE STAR'S Classified Pages. The idea is to make suggestions that any Advertiser can apply to the Want Ad he inserts, no matter what the need. These Talks are for the USER—who wants to increase his results. Watch for future Talks.
